Tuesday, August 1

6:00-7:30 pm

John Boner Neighborhood Center

2236 E. 10th Street Indianapolis

Local food will be served

Find out more at nearindy.org

Your ideas and perspectives are needed. This will be the first of up to 12 community meetings to learn about, explore, and plan for the redevelopment of this 50-acre brownfield at Michigan & Sherman. Once home to 8,000 RCA jobs, Sherman Park has become a vast wasteland in the heart of our neighborhoods. It's time to change that! This is a unique opportunity to plan creatively, hopefully.

At this gathering

- Enjoy good local food (free)
- Learn about the initiative
- Meet the RATIO planning team
- Share stories about Sherman Park
- Share your biggest dream for Sherman Park's future
